VF-RV-0001	12 Apr 2025	Amazon	Lakshmi Narayanan	5	Yes	Been giving this to my 3 year old for six months now. He finishes the whole tumbler without fuss which never happened with the store bought powder. Smells properly roasted, not raw.
VF-RV-0002	18 Apr 2025	D2C	Sharmila R.	5	Yes	Ordered directly from their site after seeing the ingredient list. No maltodextrin, no added sugar, no "nature identical flavour". That itself is rare. Texture is fine and it doesn't lump when mixed properly.
VF-RV-0003	24 Apr 2025	BigBasket	Anand Krishnan	4	Yes	Good product. My only issue is the scoop keeps getting buried in the powder. Otherwise happy, been reordering monthly.
VF-RV-0004	02 May 2025	Amazon	Meenakshi S.	5	Yes	My mother is diabetic and her doctor said millet kanji in the morning. She has been having this for 4 months. Taste is mild, she adds a little salt instead of jaggery. Works for her.
VF-RV-0005	09 May 2025	Flipkart	Ravi Teja	3	Yes	Product is okay. I expected it to be thicker when cooked, it stays a bit watery unless you use more powder. Then the pack finishes fast. Average value for money.
VF-RV-0006	15 May 2025	D2C	Priya Balakrishnan	5	Yes	Third order. I make it with milk for my daughter and with water and buttermilk for myself. Very versatile. Delivery from Coimbatore to Chennai took 2 days, packed well.
VF-RV-0007	21 May 2025	Amazon	Suresh Kumar M.	4	Yes	Quality is genuinely good. Slightly expensive compared to the local mill powder but that one used to smell

						stale within two weeks. This one lasts.
VF-RV-0008	28 May 2025	BigBasket	Divya Menon	5	Yes	Cardamom and dry ginger come through nicely. I don't need to add anything else. Very comforting in the morning.
VF-RV-0009	03 Jun 2025	Amazon	Karthik V.	5	Yes	Bought for my father who is 72 and can't chew properly. This has become his breakfast. He says it doesn't cause acidity like the wheat based drink he was having before.
VF-RV-0010	11 Jun 2025	JioMart	Nandhini P.	4	Yes	Nice product, good roasting. Deducting one star only because the zipper on my pouch stopped closing after about 10 days. Had to transfer to a jar.
VF-RV-0011	17 Jun 2025	D2C	Ramesh Iyer	5	Yes	I have tried four brands of sathu maavu in the last two years. This is the only one where I can actually taste the roasted gram and groundnut instead of just ragi. Will continue.
VF-RV-0012	23 Jun 2025	Amazon	Sowmya Rajan	5	Yes	Ordered on subscription. Comes every 30 days without me having to think about it. Product is consistent batch to batch which matters to me.
VF-RV-0013	29 Jun 2025	Flipkart	Mohammed Ashraf	4	Yes	Good taste and quality. Packaging could be better for shipping, my outer box was dented though the pouch inside was fine.
VF-RV-0014	05 Jul 2025	BigBasket	Geetha Subramanian	5	Yes	Been buying since last Deepavali. My grandson asks for "brown milk" every morning. Nothing more to say.
VF-RV-0015	12 Jul 2025	Amazon	Vinod Chandran	2	Yes	Product itself is fine but I received a pack with only 4 months left on expiry. For a ₹240 pack that is not acceptable. Contacted seller, they did

						replace it, hence two stars and not one.
VF-RV-0016	19 Jul 2025	D2C	Aarthi Venkatesh	5	Yes	The company sent a handwritten thank you card with my first order. Small thing but it stayed with me. Product is excellent, my son's paediatrician approved the ingredient list.
VF-RV-0017	26 Jul 2025	Amazon	Prakash Reddy	4	Yes	Solid product. I use two heaped scoops in 200ml milk. Bit of a learning curve to get the consistency right, once you do it's good.
VF-RV-0018	04 Aug 2025	BigBasket	Shanthi Devi	5	Yes	Very good. I am 61 and have been having this instead of coffee in the morning. My weight has been steady and I feel less heavy through the day.
VF-RV-0019	11 Aug 2025	Amazon	Naveen Kumar S.	5	Yes	Made in Coimbatore, sourced from Tamil Nadu farmers as per the pack. Happy to support that. Product delivers on taste too, which is the main thing.
VF-RV-0020	18 Aug 2025	Flipkart	Rekha Nair	3	Yes	It's fine. Nothing extraordinary. My kids find it bland and I have to add a lot of jaggery which defeats the purpose. Adults may like it more.
VF-RV-0021	25 Aug 2025	D2C	Balaji Srinivasan	5	Yes	I run a small fitness group and recommended this to 8 people. Six have reordered. Clean label, decent protein, and it actually tastes like food.
VF-RV-0022	01 Sep 2025	Amazon	Kavitha Ramesh	5	Yes	Excellent for weaning. Started my 14 month old on this after checking with the doctor. She takes it well. No constipation issues.
VF-RV-0023	08 Sep 2025	JioMart	Thomas Mathew	4	Yes	Good product, reasonable price for the quality. Delivery took 5 days to Kochi which is a bit slow.

VF-RV-0024	16 Sep 2025	Amazon	Uma Maheswari	5	Yes	Fourth pack. Consistent quality every time. I appreciate that the batch and expiry are printed clearly and not smudged like some brands.
VF-RV-0025	23 Sep 2025	BigBasket	Girish Hegde	5	Yes	Bought in Bengaluru. Ragi based products here are common but this blend is better balanced than the local ones. The dry ginger is a good touch.
VF-RV-0026	30 Sep 2025	D2C	Anitha Joseph	4	Yes	Very good product. Wish they had a smaller trial pack, 500g is a commitment when you're trying a new brand.
VF-RV-0027	07 Oct 2025	Amazon	Senthil Kumar	5	Yes	Superb. Simple ingredients, honest product, no marketing gimmick on the pack. This is what I want to buy.
VF-RV-0028	14 Oct 2025	Flipkart	Deepa Krishnan	5	Yes	Ordered during Diwali offer. Both packs arrived in good condition. Making kanji for the whole family now, everyone likes it.
VF-RV-0029	22 Oct 2025	Amazon	Hari Prasad	4	Yes	Product good. The pouch is a little difficult to pour from without spilling. A wider mouth would help.
VF-RV-0030	29 Oct 2025	BigBasket	Latha Sundaram	5	Yes	My regular purchase now. Been six or seven months. Nothing has changed in the quality which is the highest compliment I can give a food brand.
VF-RV-0031	05 Nov 2025	D2C	Vignesh Raja	5	Yes	The subscription option saved me. I kept forgetting to reorder. Also they let you skip a month which is useful when travelling.
VF-RV-0032	13 Nov 2025	Amazon	Fathima Beevi	3	Yes	Taste is good but I found a small hard lump in the powder in one pack. Sieved it out, rest was fine. Wrote to them and they responded quickly, so no complaint about service.

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0033	20 Nov 2025	Amazon	Manoj Pillai	5	Yes	Been through three brands looking for something without added sugar. This is it. Add your own jaggery or don't, your choice.
VF-RV-0034	28 Nov 2025	JioMart	Sridevi K.	4	Yes	Good product overall. Would like if they mentioned the exact ratio of each millet on the pack, only the order is given.
VF-RV-0035	06 Dec 2025	D2C	Arun Gopal	5	Yes	Ordered the 2 pack combo. Free shipping above ₹499 is fair. Delivery was 3 days to Hyderabad. Product is genuinely well made.
VF-RV-0036	14 Dec 2025	Amazon	Bhuvana Chandran	5	Yes	My mother-in-law is very particular about traditional preparation and even she approved this. That is not easy.
VF-RV-0037	21 Dec 2025	BigBasket	Rajeshwari M.	5	Yes	Making this for my son's tiffin box as a flask drink. He is 9 and finishes it. No complaints from him which is unusual.
VF-RV-0038	03 Jan 2026	Amazon	Kiran Kumar B.	1	Yes	Pouch arrived with a split seam and powder all over the box. Marketplace return process was slow. Product may be good, I couldn't tell. Refunded eventually.
VF-RV-0039	12 Jan 2026	D2C	Malini Sekar	5	Yes	Pongal gift box was beautifully done. Bought three for relatives. The clay pot was a nice touch and the health mix inside is the main reason I ordered.
VF-RV-0040	19 Jan 2026	Amazon	Dinesh Babu	4	Yes	Quality good, price slightly on the higher side. But considering the ingredients, acceptable. Would buy again on offer.

ID	Date	Platform	Customer	★	Verified	Review
VF- RV- 0041	06 Feb 2026	Flipkart	Yamuna Devi	5	Yes	Have been recommending this to everyone in my apartment WhatsApp group. Four families have started buying. Genuinely good.
VF- RV- 0042	18 Feb 2026	Amazon	Selvaraj P.	5	Yes	Straightforward product, does what it says. Roasted properly, mixes without lumps, no artificial smell. Have ordered five times.

1.2 P1-ORG — Vayal Organic Millet Health Mix, 500 g (8 reviews)

ID	Date	Platform	Customer	★	Verified	Review
VF- RV- 0043	02 May 2026	Amazon	Shreya Nambiar	5	Yes	Bought this at launch price. The NPOP licence number is printed on the pack which I checked online and it is valid. Taste is slightly different from the regular one, little millet is milder. I prefer it.
VF- RV- 0044	11 May 2026	D2C	Ashok Menon	5	Yes	The farm story video on their site is what convinced me. Little millet from a Karur farmer producer company, named on the pack. Product is excellent.
VF- RV- 0045	19 May 2026	Amazon	Nithya Raghavan	4	Yes	Good product. ₹340 for organic is fair but at launch price of ₹289 it was better value. Now that it's at MRP I will buy occasionally rather than monthly.
VF- RV- 0046	28 May 2026	BigBasket	Prabhu Devan	5	Yes	Finer texture than the regular variant and the barnyard millet gives it a different aroma. Worth the premium if organic matters to you.
VF- RV- 0047	09 Jun 2026	D2C	Kalyani Iyer	4	Yes	Very good. Only feedback is that it is often out of stock on the website. Had to wait 9 days for my second order.
VF- RV- 0048	21 Jun 2026	Amazon	Vikram Shetty	3	Yes	Honestly I couldn't tell much difference from the regular version in taste. If you specifically want the certification, buy this. Otherwise the regular one is ₹100 cheaper.
VF- RV- 0049	04 Jul 2026	Flipkart	Radhika Menon	5	Yes	Ordered for my parents. They have switched from their usual brand. The pack design is clean and the certification panel is clearly printed.

ID	Date	Platform	Customer	★	Verified	Review
VF- RV- 0050	22 Jul 2026	D2C	Sanjay Krishnamurthy	4	Yes	Genuinely organic as far as I can verify, well made, tastes good. Star deducted for price only.

1.3 P2 — Vayal Ragi & Jaggery Cookies, 200 g (34 reviews)

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0051	08 Apr 2025	Amazon	Nithin Chandrasekar	5	Yes	Finally a "healthy" cookie that is actually edible. Not too sweet, proper ragi flavour, and the jaggery gives a caramel note. My office drawer stock now.
VF-RV-0052	15 Apr 2025	BigBasket	Sujatha Rao	5	Yes	16 cookies in two sleeves so the second half stays fresh. Small design detail that I really appreciate. Taste is lovely with tea.
VF-RV-0053	22 Apr 2025	Quick Commerce	Arjun Nair	4	Yes	Good cookies. Slightly crumbly, they break in the pack sometimes. Flavour is spot on though.
VF-RV-0054	30 Apr 2025	Amazon	Preethi Ganesan	5	Yes	No maida, no refined sugar, no palm oil. Read the pack three times to be sure. Kids eat them happily. Repeat customer.
VF-RV-0055	07 May 2025	Flipkart	Sathish Kumar	3	Yes	Decent but for ₹90 you get 200g which is about 16 cookies. Works out expensive per cookie compared to regular biscuits. Taste is good though.
VF-RV-0056	14 May 2025	D2C	Roopa Shetty	5	Yes	Ordered a box of six. My whole family including my father who hates "health food" finished them in ten days.
VF-RV-0057	21 May 2025	Amazon	Ganesh Iyer	5	Yes	Best millet cookie I have had. Not dry, not overly hard. The jaggery is real jaggery, you can taste the difference from sugar.
VF-RV-0058	29 May 2025	BigBasket	Anjali Verma	4	Yes	Really good, my only note is that they go soft quickly after opening in Chennai humidity. Store in an airtight box immediately.
VF-RV-	05 Jun	Amazon	Muthu Kumar	5	Yes	Buying these for my diabetic wife. Not sugar free obviously but

ID	Date	Platform	Customer	★	Verified	Review
0059	2025					jaggery based and ragi, so far her readings have been fine with one or two a day.
VF-RV-0060	13 Jun 2025	Quick Commerce	Sneha Kulkarni	5	Yes	Got these delivered in 12 minutes at 11pm when I was craving something. Turned out to be my new favourite. Reordered next day.
VF-RV-0061	20 Jun 2025	Amazon	Ramanathan V.	4	Yes	Good product. Would prefer a slightly bigger pack size option, 200g finishes in two days at my house.
VF-RV-0062	27 Jun 2025	Flipkart	Divya Prakash	5	Yes	Ordered on a whim, now a regular. Perfect with filter coffee. The texture is right, not sandy like some ragi biscuits.
VF-RV-0063	04 Jul 2025	BigBasket	Harish Menon	5	Yes	These have replaced the digestive biscuits in our house. Better taste, better ingredients, similar price point. Easy switch.
VF-RV-0064	11 Jul 2025	Amazon	Vasanthi R.	2	Yes	Received a pack that was clearly stale, cookies were soft and smelled off. Expiry was still 3 months away so probably a storage issue somewhere. Company replaced it and the second pack was good.
VF-RV-0065	18 Jul 2025	Amazon	Kumaravel S.	5	Yes	Simple, well made cookie. My son takes two in his snack box daily. Been buying for eight months.
VF-RV-0066	26 Jul 2025	Quick Commerce	Aditya Rao	4	Yes	Nice product. Availability on the app is inconsistent, sometimes shows out of stock for a few days.
VF-RV-0067	02 Aug 2025	D2C	Meera Balan	5	Yes	Bought the Onam combo which had two packs of these. Excellent quality. The jaggery is from Salem as per the pack which is a nice detail.

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0068	10 Aug 2025	Amazon	Suresh Babu	5	Yes	Crisp, not too sweet, ragi is dominant which is what I wanted. Many brands call it ragi cookie and it tastes like a sugar biscuit. Not this one.
VF-RV-0069	17 Aug 2025	Flipkart	Lakshmi Priya	4	Yes	Good. One sleeve had a few broken cookies. Not a big deal but mentioning it. Taste was fine.
VF-RV-0070	24 Aug 2025	BigBasket	Naveen Chandra	5	Yes	Been buying weekly for four months. Consistent every time. That is rare in this category.
VF-RV-0071	01 Sep 2025	Amazon	Padmavathi N.	5	Yes	My grandchildren visit every weekend and this is what they ask for. I feel fine giving it to them, which I don't with regular biscuits.
VF-RV-0072	09 Sep 2025	Quick Commerce	Rohit Deshpande	3	Yes	Okay. I found them a bit dense and heavy. Two cookies and I'm full. Might be a plus for some people, wasn't for me.
VF-RV-0073	16 Sep 2025	Amazon	Chitra Ramesh	5	Yes	Lovely product. The smell when you open the pack is proper baked ragi, not artificial vanilla. Ordering my fifth pack.
VF-RV-0074	23 Sep 2025	D2C	Jayanth Kumar	5	Yes	Ordered directly, got a free sample of the millet munch. Both were good. Will order the combo next time.
VF-RV-0075	01 Oct 2025	BigBasket	Sarita Jain	4	Yes	Good quality cookie. Slightly less sweet than I expected, took a couple to adjust. Now I prefer it this way.
VF-RV-0076	09 Oct 2025	Amazon	Balachandran K.	5	Yes	Bought the Diwali hamper for my office team. The cookies got the most compliments out of everything in it.

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0077	17 Oct 2025	Quick Commerce	Priyanka Shah	5	Yes	My go-to evening snack. Delivered in under 15 minutes every time. Good ingredient list, actually tastes good, what more.
VF-RV-0078	25 Oct 2025	Flipkart	Manikandan R.	5	Yes	Solid product at a fair price. No complaints in six purchases.
VF-RV-0079	04 Nov 2025	Amazon	Sudha Narayan	1	Yes	Ordered two packs, both arrived crushed into crumbs. Outer packaging was a thin envelope, not a box. Refunded but very disappointing.
VF-RV-0080	12 Nov 2025	BigBasket	Vivek Anand	5	Yes	Really good cookies. My wife is a baker and she said the crumb structure is well done for a no-maida recipe.
VF-RV-0081	20 Nov 2025	Amazon	Revathi S.	4	Yes	Tasty and reasonably priced. I wish there was an almond or cashew variant. Sticking to this one meanwhile.
VF-RV-0082	02 Dec 2025	Quick Commerce	Karan Mehta	5	Yes	Discovered these on the app. Now buy 3 packs at a time. Underrated brand.
VF-RV-0083	15 Dec 2025	D2C	Anusha Reddy	5	Yes	Ordered as part of a hamper for a house warming. Recipients called to ask where I bought them. That's a good sign.
VF-RV-0084	08 Feb 2026	Amazon	Elangovan T.	4	Yes	Good cookie. Would rate 5 if the pack had a resealable option instead of just the two sleeves.

1.4 P3 — Vayal Instant Millet Dosa Mix, 500 g (26 reviews)

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0085	16 Apr 2025	Amazon	Ravi Shankar	5	Yes	Followed the instructions exactly, 6 hours fermentation, and got proper crisp dosas. Millet flavour is noticeable but not overwhelming. Family didn't complain which is the real test.
VF-RV-0086	25 Apr 2025	BigBasket	Uma Devi	4	Yes	Good mix. Fermentation took longer than 6 hours in Bengaluru winter, closer to 10. Once it rose properly the dosas were nice.
VF-RV-0087	03 May 2025	D2C	Prasanth Nair	5	Yes	Very convenient. I live alone and grinding batter is not happening. This gives me 18 dosas from one pack. Worth it.
VF-RV-0088	12 May 2025	Amazon	Kavitha Rajan	3	Yes	It works but you have to get the water ratio exactly right or it turns out too thin. Took me three attempts. Once you figure it out it's fine. Instructions could be clearer about the water.
VF-RV-0089	20 May 2025	Flipkart	Mahesh Kumar	4	Yes	Decent product. Dosas come out slightly softer than regular rice dosa, more like a wheat dosa texture. Tastes good though.
VF-RV-0090	28 May 2025	Amazon	Sangeetha Moorthy	5	Yes	My mother-in-law was sceptical about instant mixes. She tried it and asked me to order two more packs. Enough said.
VF-RV-0091	06 Jun 2025	BigBasket	Arun Prakash	5	Yes	I use it for idli as well by adding slightly less water. Works well for both. Good value at ₹150.
VF-RV-0092	15 Jun 2025	Amazon	Nirmala Devi	4	Yes	Good product. Only issue is I have to remember to soak the previous night. Not "instant" in the sense of immediate but that is on me for not reading properly.

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0093	24 Jun 2025	D2C	Vignesh Kumar	5	Yes	Best instant dosa mix I have used. The millet content is genuine, you can see the specks. Not just rice flour with a millet label.
VF-RV-0094	02 Jul 2025	Amazon	Reshma Thomas	2	Yes	My batter didn't ferment at all in two attempts. Third time I added a spoon of curd and it worked. Should not need that. Product may be fine, my kitchen may be too cold. Giving 2 for the trouble.
VF-RV-0095	11 Jul 2025	Flipkart	Sundaram P.	5	Yes	Regular purchase now. Makes weekday breakfast easy. Dosas are crisp if you spread thin and let the tawa get properly hot.
VF-RV-0096	19 Jul 2025	Amazon	Jhansi Rani	4	Yes	Good. Wish there was a 250g pack for trying out. 500g was a risk for a first purchase.
VF-RV-0097	27 Jul 2025	BigBasket	Gopalakrishnan S.	5	Yes	Very good product. I have been making dosa from scratch for 30 years and this is a genuinely acceptable shortcut on busy days.
VF-RV-0098	05 Aug 2025	Amazon	Deepa Ravi	5	Yes	Ordered based on the recipe video on their listing. Followed it and got good results the first time. More brands should do that.
VF-RV-0099	14 Aug 2025	D2C	Muralidharan K.	4	Yes	Nice product. Fermented batter keeps well in the fridge for 2 days. Third day it gets too sour. Just a heads up for others.
VF-RV-0100	22 Aug 2025	Amazon	Bhavani Shankar	3	Yes	Average. It's convenient but the taste is noticeably different from proper ground batter. If you're used to homemade you will notice. If not, it's fine.

ID	Date	Platform	Customer	★	Verified	Review
VF-RV-0101	01 Sep 2025	Flipkart	Ramya Krishnan	5	Yes	Works beautifully. Made 20 dosas from one pack. Kids didn't realise it was millet.
VF-RV-0102	10 Sep 2025	Amazon	Ashok Verma	4	Yes	Good quality. Delivery was quick. Only feedback is the pack is hard to reseal after opening, transfer to a container.
VF-RV-0103	20 Sep 2025	BigBasket	Chandrika Iyer	5	Yes	Really good. I add finely chopped onion and green chilli to the batter and it makes a great uthappam. Versatile.
VF-RV-0104	30 Sep 2025	Amazon	Vasudevan R.	5	Yes	Consistent results across four packs. That is what I look for. No complaints.
VF-RV-0105	12 Oct 2025	D2C	Shalini Nambiar	5	Yes	The customer care actually replied to my question about fermentation within a few hours and gave a proper answer, not a template. Product is good too.
VF-RV-0106	24 Oct 2025	Amazon	Prabhakaran M.	1	Yes	Pack I received had a musty smell on opening. Did not use it. Company arranged a replacement which was fine, but the first experience puts you off.
VF-RV-0107	08 Nov 2025	Flipkart	Indira Devi	4	Yes	Good mix. A bit pricier than making from scratch but the time saved is worth it on weekdays.
VF-RV-0108	21 Nov 2025	Amazon	Sathyanarayanan V.	5	Yes	Excellent. Been using for six months. Crisp dosas every time once you learn the tawa temperature.
VF-RV-0109	14 Jan 2026	BigBasket	Nithya Sundar	5	Yes	Pongal week purchase. Made dosas for guests and got asked for the recipe. Told them it was a mix and they didn't believe me.

VF- RV- 0110	11 Mar 2026	Amazon	Karthikeyan R.	4	Yes	Reliable product. Good for a working household. Would like a subscription option for this one like they have for the health mix.

1.5 P4 — Vayal Roasted Millet Munch, 100 g (25 reviews)

VF-RV-0111	20 Apr 2025	Quick Commerce	Akshay Menon	5	Yes	Roasted not fried and you can actually tell. Light, crunchy, curry leaf comes through. My evening snack sorted.
VF-RV-0112	02 May 2025	Amazon	Divya Shankar	4	Yes	Good namkeen. 100g finishes fast though. Please make a bigger pack.
VF-RV-0113	13 May 2025	BigBasket	Ranjith Kumar	5	Yes	6.2g protein per 100g and it tastes good. Both those things being true at once is unusual. Regular buy now.
VF-RV-0114	24 May 2025	Amazon	Sowmiya P.	5	Yes	Perfect office snack. Doesn't leave oil on your fingers like fried mixtures. Mild spice, my 6 year old can eat it too.
VF-RV-0115	05 Jun 2025	Quick Commerce	Nikhil Jain	3	Yes	It's fine. Honestly a bit plain for me, I like my namkeen spicier. The quality is clearly good, just not to my taste.
VF-RV-0116	17 Jun 2025	Flipkart	Aruna Balaji	5	Yes	Bought a pack out of curiosity, ordered five more. Crunchy, well seasoned, roasted properly.
VF-RV-0117	28 Jun 2025	Amazon	Vishal Reddy	4	Yes	Good product. Nitrogen flushed pack keeps it crisp which I appreciate. Price is slightly high for 100g but quality justifies it.
VF-RV-0118	09 Jul 2025	BigBasket	Meenu Thomas	5	Yes	My whole family switched from regular mixture to this. Same crunch, much better ingredients.
VF-RV-0119	21 Jul 2025	Quick Commerce	Sanjith Rao	5	Yes	Late night order, arrived in 11 minutes. Now a repeat. The roasted gram in it is a nice touch.

VF-RV-0120	02 Aug 2025	Amazon	Prema Lakshmi	4	Yes	Nice and light. My only note is that the last quarter of the pack has more seasoning powder settled at the bottom. Shake before opening.
VF-RV-0121	14 Aug 2025	Flipkart	Dinesh Chandran	5	Yes	Genuinely good roasted snack. No oiliness, no aftertaste. Been buying since May.
VF-RV-0122	26 Aug 2025	Amazon	Kalpana Srinivasan	5	Yes	Kids' snack box regular. Roasted so I don't feel guilty. Curry leaf flavour is nice and homely.
VF-RV-0123	08 Sep 2025	Quick Commerce	Rahul Bhaskar	4	Yes	Good stuff. Availability on the app is patchy in my area, that's the only issue.
VF-RV-0124	20 Sep 2025	BigBasket	Sujatha Menon	5	Yes	Bought as part of the Onam combo. This was the surprise favourite. Ordered separately after.

SECTION 3 — FREQUENTLY ASKED QUESTIONS

Published at: www.vayalfoods.in/faq **Last updated:** 20 July 2026 **Owner:** Marketing & E-commerce Department

3.1 About Vayal

Who makes Vayal products? Vayal Foods Private Limited, a company registered in 2017 and based in Coimbatore, Tamil Nadu. All our products are manufactured at our own facility in the SIDCO Industrial Estate, Kurichi, Coimbatore.

Are your products made in your own factory or by a contract manufacturer? Every product currently sold under the Vayal brand is made in our own facility. We do not use contract manufacturers for any listed SKU.

What certifications do you hold? FSSAI manufacturing licence, ISO 22000:2018, HACCP, and NPOP organic certification for our Organic Little Millet range. Certificate copies are available on request at care@vayalfoods.in.

Where do you source your millets from? Primarily from Erode, Karur, Dindigul and Salem districts of Tamil Nadu. Our organic little millet and barnyard millet come from Marudham Organic Farmers Producer Company, Karur, under a direct sourcing arrangement with a pre-agreed floor price.

3.2 Ingredients and Allergens

Do your products contain added sugar? No. Our Ragi & Jaggery Cookies are sweetened with natural jaggery. The Health Mix contains no added sweetener at all — you add jaggery, sugar or nothing, as you prefer. The Porridge Cup variants use jaggery.

Do you use maida? No. Our cookies are made with whole ragi flour and contain no refined wheat flour.

Do you use palm oil? No. We use cold-pressed groundnut oil and coconut oil.

Do your products contain preservatives, artificial colours or artificial flavours? No. None of our products contain added preservatives, synthetic colours or artificial flavouring substances.

What allergens are present?

Product	Allergens Present	Made on a Line That Also Handles
Millet Health Mix	Groundnut, tree nuts (cashew)	—
Organic Millet Health Mix	Groundnut, tree nuts (cashew)	—
Ragi & Jaggery Cookies	Milk, groundnut	—
Instant Millet Dosa Mix	—	Groundnut, tree nuts (shared facility)
Roasted Millet Munch	Groundnut	—
Millet Porridge Cup	Milk (Jaggery & Cardamom variant), groundnut	—

If you have a diagnosed allergy, please read the pack declaration for the specific batch and consult your doctor.

Are your products gluten free? Millets are naturally gluten free. However, our Instant Millet Dosa Mix contains parboiled rice and urad dal only, and our facility handles no wheat, barley or rye. We do not currently carry a certified gluten-free claim, so we do not make one.

Are your products vegetarian? Yes. All products are vegetarian. Products containing milk solids, butter or ghee are marked with the green vegetarian symbol and the milk allergen declaration.

Are any of your products vegan? The Millet Health Mix, Organic Millet Health Mix, Instant Millet Dosa Mix and Roasted Millet Munch contain no dairy ingredients. The Ragi & Jaggery Cookies and the Jaggery & Cardamom Porridge Cup contain milk derivatives.

3.3 Nutrition and Suitability

Can I give the Health Mix to my baby? The Health Mix contains groundnut and cashew and is intended for children above 12 months who have already been introduced to these ingredients. Please consult your paediatrician before introducing any new food. We do not market any product as an infant food or a breast-milk substitute.

Is the Health Mix suitable for diabetics? The Health Mix contains no added sweetener and is based on millets and pulses. We do not make any medical or therapeutic claim. If you are managing diabetes, please discuss the nutrition panel with your doctor or dietitian before making it a regular part of your diet.

Will these products help me lose weight? We make no weight-loss claim for any product. Our products are foods, not supplements or therapeutic products.

Can I get the full nutrition analysis? Yes. Write to care@vayalfoods.in with the product name and we will send the per-100 g and per-serving analysis, including the NABL laboratory report reference.

Do you have glycemic index data? We have not commissioned product-level GI testing and therefore do not publish GI figures. We can share the full carbohydrate, sugar and dietary fibre breakdown per serving.

3.4 Preparation and Usage

How do I prepare the Millet Health Mix? Bring 150 to 180 ml of water or milk to a simmer. Add 2 level scoops (about 25 g) while stirring continuously. Cook for 3 to 4 minutes on low heat. Add jaggery, sugar or salt to taste. For a thinner drink, increase the liquid.

Why does my Health Mix form lumps? Add the powder to hot liquid gradually while stirring, rather than all at once. Alternatively, make a smooth paste with a small quantity of cold water first, then add it to the hot liquid.

How much water do I add to the Dosa Mix? Add approximately 800 ml of water to the full 500 g pack, or maintain a ratio of roughly 1.6 parts water to 1 part mix by volume. The batter should be of a pouring consistency, slightly thinner than idli batter.

How long should I ferment the Dosa Mix batter? Six to eight hours in warm conditions. In cooler weather or in air-conditioned kitchens it may take 10 to 12 hours. Keep the batter in a warm spot and cover it loosely.

Can I make idli with the Dosa Mix? Yes. Use slightly less water so the batter is thicker, and steam for 10 to 12 minutes.

How do I prepare the Porridge Cup? Peel back the foil lid. Add a small quantity of hot water first, stir to make a smooth paste, then fill to the marked line and stir for 20 seconds. Close the lid and wait 3 minutes.

Can I use the Porridge Cup with cold milk? It is designed for hot water or hot milk. Cold liquid will not hydrate the powder properly.

3.5 Storage and Shelf Life

What is the shelf life of each product?

Product	Shelf Life from Manufacture
Millet Health Mix	9 months
Organic Millet Health Mix	9 months
Ragi & Jaggery Cookies	6 months
Instant Millet Dosa Mix	6 months
Roasted Millet Munch	5 months
Millet Porridge Cup	7 months

How should I store the products after opening? Transfer powders to a clean, dry, airtight container and keep away from direct sunlight and moisture. Reseal cookie sleeves tightly or move to an airtight box, particularly in humid weather. Consume the Roasted Millet Munch within 5 to 7 days of opening for best crispness.

Do I need to refrigerate anything? No product requires refrigeration before opening. Fermented dosa batter should be refrigerated and used within 48 hours.

My pack is within date but the product does not seem right. What should I do? Do not consume it. Photograph the pack showing the batch number and expiry date, and write to care@vayalfoods.in or message our WhatsApp line. We will check the retention sample for that batch and respond.

Ref	Location	Verbatim
V-014	Coimbatore	"I have been buying since 2022. The taste has not changed once in four years. That is why I keep coming back."
V-039	Bengaluru	"Please make it available in more shops here. I have to order online every time and sometimes I run out."
V-061	Chennai	"Ingredient list is the cleanest I have found in this category. Worth the extra rupees."
V-088	Kochi	"The cookies are wonderful. The pouch though — after opening it there is no way to close it properly."
V-117	Hyderabad	"Good products but priced for a certain kind of buyer. A ₹120 pack of health mix would sell far more in my area."
V-142	Madurai	"My daughter has been having the sathu maavu since she was two. She is six now. That is my review."
V-176	Salem	"Twice my order arrived with the pouch damaged. Both times they replaced it without argument. Good service, but I would rather it arrive intact."
V-203	Mumbai	"Only complaint is that half the range is not available on the app I use. Please expand."
V-241	Thrissur	"Please make millet vermicelli. I will buy it every month."
V-268	Coimbatore	"The porridge cup is convenient but sixty grams for seventy rupees is a lot. I buy it only when travelling."
V-294	Erode	"I met the founder at a millet expo in Trichy. He explained where the ragi comes from. That is when I became a regular customer."
V-311	Vijayawada	"Delivery in my pin code takes five days. Everything else is good."
V-347	Bengaluru	"Munch is my favourite thing they make. Please make a 200 gram pack, the 100 gram finishes in one sitting."
V-382	Chennai	"Subscription is what keeps me buying. I would forget otherwise."
V-419	Tiruppur	"Not the cheapest. But I know exactly what is in it, and that is worth something."
